Announces

During the period 15-18 November 2017, the State Agency on Intellectual Property (AGEPI) organizes the fifteenth edition of the International Specialized Exhibition “INFOINVENT”.

The event will take place at the International Exhibition Center “MOLDEXPO”, organized in partnership with the Academy of Sciences of Moldova, Agency for Innovation and Technology Transfer, IEC “MOLDEXPO”, supported by the World Intellectual Property Organization (WIPO) and the European Patent Office (EPO).

I.S.E. “INFOINVENT” is a forum of intellectual property, which aims at supporting and promoting creativity and intellectual property, attracting investments in innovation and technology transfer, realizing joint projects on the implementation of inventions, new technologies and materials in the national economy and developing international scientific and technical cooperation.

The event is an ideal platform for business meetings between inventors, researchers and business representatives.

In the exhibition can take part institutions/enterprises in the field of research-development and entrepreneurship, scientists, inventors, entrepreneurs, professors, students, and pupils.

The works presented on the stands of the I.S.E. “INFOINVENT” may be exhibited in 5 sections: inventions, plant varieties and industrial design, innovative products/services; innovation and technology transfer projects; creation of youth; cultural and creative industries.

During the exhibition will be organized a program of additional events, including seminars, roundtables and workshops.

Thus, local and international experts and practitioners, including representatives of WIPO, EPO, national IP offices, will come up with recommendations focusing on the role of innovation and intellectual property in developing successful business.

Representatives of over 20 countries will present their inventions at the exhibition.

The deadline for submission of the application for participation is September 15, 2017.

The registration forms and other useful information can be found on www.infoinvent.md [1].

For any questions regarding the organization of the exhibition “INFOINVENT” please contact the person in charge: Ecaterina Popa, Head of Communication and Consultancy Division, AGEPI, tel. 022 400-593 or email: infoinvent@agepi.gov.md [2].
