COVID-19

In the period that the whole humanity is currently going through, no one can remain indifferent to all those who put their lives in danger in the fight against the new type coronavirus COVID-19.

The State Agency on Intellectual Property (AGEPI) supports the fund-raising campaign for the fight against new type coronavirus, launched by the Government of the Republic of Moldova. In this regard, AGEPI employees mobilized and donated their one day's work wages, in order to support the medical system and the efforts to prevent and combat COVID-19.

Using this opportunity, the AGEPI staff expresses its solidarity and gratitude to the medical staff for their dedication, courage and sacrifice with which they carry out their noble mission of saving lives.
