10/20/2020 Events

The Chamber of Commerce and Industry of the Republic of Moldova (CCI RM), jointly with the State Agency on Intellectual Property (AGEPI), invites interested parties to the open meeting of Sectoral Entrepreneurship Committees under the CCI of the Republic of Moldova entitled **"Encouraging Innovation Process: Protecting Patented Inventions and Other Technological Solutions"**, with the participation of the Director General of AGEPI Viorel Iustin.

The meeting in the form of an online dialogue will take place on **Thursday, October 22, 2020**, **at 10:00**, on the platforms: Facebook CCI RM https://www.facebook.com/chamber.md/ [1] and Zoom Meeting.

The most current issues in the field will be discussed during the meeting, including:

- Innovation and the entrepreneurial sector: insufficient exploitation of the innovation potential by the real sector.
- Strengthening the innovation capacities of enterprises: tools, risks and advantages, including: protection of inventions; assistance and support tools for the protection and use of inventions.
- The opportunity to create business-science partnerships in priority areas for the national economy.

The dialogue will be attended by specialists from AGEPI willing to provide consultations on specific topics and answer questions from participants on the area of competence of the agency.

In this context, for a constructive and effective dialogue, we invite you to communicate questions and topics of interest in advance. Also, during the dialogue, you will be able to ask questions online, using the event chat.

To log in via Zoom Meeting, please access the link below 5 minutes before the start of the meeting:
