The State Agency on Intellectual Property (AGEPI) invites interested persons to participate in an online event entitled “Development of Innovation Business and Intellectual Property Protection in the Digital Era”. The webinar will take place on November 18 and is organized by the Association of Legal Culture Henri Capitant Moldova in cooperation with AGEPI, within the project Jean Monnet Support to Associations in European Integration and Intellectual Property Protection Studies / EUPROIN, implemented with the support of the Erasmus+ Programme of the European Union.

The event is part of the program of related events held within the framework of the International Specialized Exhibition “INFOINVENT-2021”, which will take place online from 17 to 20 November 2021.

The workshop is dedicated to the business environment and decision-makers in the field of intellectual property (IP). Its purpose is to raise awareness of the role of IP in the European Union and the Republic of Moldova, and also of its importance for the integration and economic growth of Moldova. The event will focus on the analysis of the achievements and challenges of intellectual property development and those related to IP protection in the EU and Moldova.

Those wishing to attend the event are encouraged to register at the following link - https://forms.gle/hyReGAWFB49jjknV8 [1].
