**The Chamber of Commerce and Industry of the Republic of Moldova (CCI of RM) in partnership with the State Agency on Intellectual Property (AGEPI), the Institute for Standardization of Moldova (ISM), the National Anticorruption Center (NAC) and the National Accreditation Center of the Republic of Moldova, organized today a launching conference of the Contests “Trademark of the Year” and “Product and Service Quality Achievement Award” for the year 2021.**

According to **CCI President Sergiu Harea**, the Contest “Trademark of the Year” was initiated in 2003 and aims to promote successful business practices, familiarize consumers with the best trademarks on the domestic market and highlight the more competitive enterprises from the Republic of Moldova, and the “Product and Service Quality Achievement Award”, which is in its 8th edition, aims to identify companies that have successfully implemented quality management and promote modern approaches to quality.

*“The Chamber of Commerce and Industry, together with its partners, tend to offer the local business the opportunity to promote and persevere every year, and at the current edition of the Contest “Trademark of the Year” we challenge entrepreneurs to register for the new nomination “GREEN ECONOMY”. The most effective strategies for improving social equity, reducing environmental risks and environmental problems will be rewarded here. We will reward the companies that opt for a sustainable economic development, without causing environmental degradation”, also said Sergiu Harea.*

**In his turn, the Director General of AGEPI, Eugeniu Rusu**, mentioned during the conference that: *“Trademark of the Year” is a contest that has already become traditional and we are extremely interested in organizing it, despite all the pandemic challenges, as it has proven its usefulness and efficiency over time. We encourage economic agents who have a registered and valid on the territory of the Republic of Moldova trademark to participate in the Contest “Trademark of the Year 2021”. We urge those who failed to register their trademarks to apply and why not, to participate this year in the Nomination DEBUT OF THE YEAR. This race can bring them not only distinctions, but also a perfect opportunity to promote, increase visibility and gain public recognition. In addition, here you will be able to find inspiration and take over marketing and business practices. We wish you much success!”*

**Present at the event, the Interim Director of ISM Andrian Bunduc** stated that: *“The Institute for Standardization of Moldova has always been and is open in supporting local companies. Increasing the competitiveness of the national economy, increasing the quality of products and services placed on the market of the Republic of Moldova, obtaining new opportunities in the export of Moldovan products and services are the benefits that can be obtained only by using and implementing standards. The Institute for Standardization makes available to the local business the European and international standards adopted as Moldovan, as well as the range of training and consulting services on the requirements of the standards, ISO 9001, ISO 22000, ISO 37000, having a training center to simplify the their application process”.*

Being in its 19th edition, the Contest “Trademark of the Year” is one of the most effective tools for promoting trademarks on the domestic and foreign market. The results of the contest allow highlighting the leaders and establishing the dynamics of consumer behavior on the domestic market.

For the grand prix - **“Golden Mercury”**, trademarks may be registered in the contest for one or more of the 13 nominations, according to the criteria of professionalism: **Nomination “GREEN**
