12/27/2022 Events

They were challenged, drew and won! The State Agency on Intellectual Property (AGEPI) designated the winners of the Drawing Contest for young people with the main title “Innovations That Would Make the World Better”, which took place from June 1 to October 31, 2022.

The competition winner awarding ceremony took place on December 27, at the AGEPI headquarters. The participants in the Contest, the management and specialists of the Agency were present at the event.

The competition was attended by young people with 142 works from different educational institutions of the country.

Thus, following the judging of the drawings by the members of the Organizing Committee of the Competition, for the age category 7-13 years, 3rd ranked the following young people: 1st ranked - Alexandra Darovanii, pupil of the School of Fine Arts in Soldanesti district; second ranked – Ecaterina Frunza, pupil of the School of Fine Arts for children from Balti municipality; 3rd ranked – Anastasia Cusnir, pupil of the School of Fine Arts for children from Balti municipality. For the age category between 14-18 years, the winners are the following young people: 1st ranked – Alexandru Lachi, pupil of the School of Fine Arts in Soldanesti district; second ranked – Diana Sitan, spupil of the “Liviu Deleanu” Theoretical Lyceum in the municipality of Chisinau; 3rd ranked - Nicoleta Catan, pupil of the School of Arts “Petru si Ion Teodorovici” from Leova.

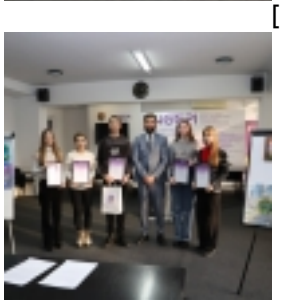

The first 3 runners-up in both age categories received gift certificates from AGEPI for the purchase of electronic products and gadgets, and all young people registered for the Contest received participation diplomas and promotional materials.

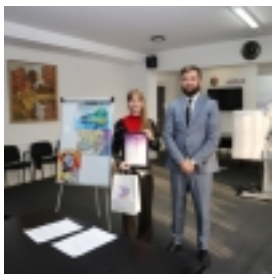

At the end of the contest award presentation ceremony, the Director General of AGEPI, Eugeniu Rusu, thanked all the participants for their involvement, appreciating the works presented as creative and interesting.

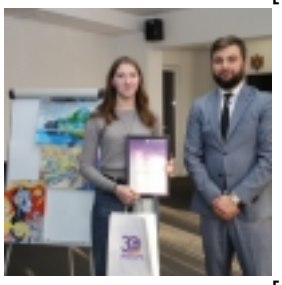

The contest was part of the list of actions dedicated to marking the 30th anniversary of the foundation of AGEPI. Its purpose was to promote the intellectual property system among young people, to highlight the positive impact that innovations have on society, as well as to develop the skills and competitive spirit of young people.

The works entered in the contest can be viewed at the following address: https://agepi.gov.md/ro/content/concurs-de-desen [1].
