10/31/2025 Events

The State Agency on Intellectual Property (AGEPI) invites inventors, researchers, entrepreneurs and creators from the Republic of Moldova and abroad to participate in the **19th edition of the International Specialized Exhibition (ISE) “INFOINVENT”**, which will be held from **December 3 to 5, 2025**, at the **International Exhibition Center “Moldexpo” SA**, 1 Ghioceilor Str., Chisinau.

The deadline for submitting applications for participation, forms for registration in the Official Catalog of the ISE “INFOINVENT” and participation contracts is **November 10, 2025**.

The works presented at the exhibition will be divided into **five thematic compartments**:

- **Compartment I**: Inventions, Plant Vrieties and Industrial Design
- **Compartment II**: Innovation and Technology Transfer Projects. Research Projects. Monographs
- **Compartment III**: Creation of Youth
- **Compartment IV**: Innovative Products and Services
- **Compartment V**: Creative Industries

The exhibits will be evaluated by a jury of national and international experts, and the most outstanding works will be awarded. The evaluation criteria are established according to the **Regulation on the organization and conduct of the ISE “INFOINVENT”**, available on the official website of the exhibition: www.infoinvent.md [1].

The program of related events will include the **International Innovation Conference**, presentation sessions, thematic workshops and other interactive events aimed at promoting the importance of intellectual property, research and innovation for sustainable economic development and increasing the competitiveness of domestic products and services on international markets.

The Exhibition “INFOINVENT”, organized every two years, is a reference forum in the field of intellectual property, creativity and innovation in the Republic of Moldova. The main purpose of the event is to promote research and development activities, attract investments in innovation and technology transfer, as well as strengthen international technical and scientific cooperation and partnerships between academia and the private sector.

The event is organized by AGEPI in partnership with the Ministry of Education and Research, the Ministry of Culture, the National Agency for Research and Development and the National Agency for Quality Assurance in Education and Research.
