01/19/2026 Announces

The World Intellectual Property Organization (WIPO) is conducting its biennial survey to assess the level of user satisfaction with regard to the services offered by the Madrid System.

Over the next **ten working days**, we invite you to share your opinions and suggestions. We assure you that all responses will remain strictly confidential. We encourage you to respond as openly and accurately as possible, as your contribution is essential for the continuous improvement of WIPO services.

The survey can be completed by any user of the Madrid System, such as holders, representatives, lawyers, and is available in 3 languages (French, English, Spanish).
