06/26/2007 Events

The library of AGEPI announced on the second edition of the republic competition “The library is the partner in promotion of the intellectual property”, that will take place in April 2007 – March 2008.

There are invited to the participation the libraries with status of National/Republican, high education libraries, municipal and regional libraries. In the framework of the Competition take place different manifestations of the informational character and fence-mending of cooperation between the participants.
