03/20/2013 Events

State Agency on Intellectual Property of the Republic of Moldova (AGEPI) organizes on 15 April this year a practical training seminar entitled "Patent Information Sources. Ways of Free Access to Patent Documents". The seminar will be held by Mr. Tudor Jovmir, Senior Expert, Inventions and Plant Varieties Department.

The seminar aims at familiarizing inventors, specialists involved in the scientific research and innovation process, fr om both academic and higher education environment and innovative enterprises, with the role and importance of patent information for economic development, ways of accessing on-line databases and other information resources in the field of patent information.

The seminar will take place at AGEPI Library (24, block 1, A. Doga str.), starting at 14.00.

Participation in the seminar is free, within the limits of available places.

If you want to get new practical knowledge on ways of free access to patent documents and believe that the proposed topic is of interest to you, we encourage you to register as soon as possible to ensure a place at this event.

Registration of participants will be made on the principle first come-first served, within the lim its of 20 available places, by sending the Registration Form [1] to the fax number: 022 440 119 up to April 12, 2013.
