08/21/2013 Events

In the period from 8 to 9 November 2013 in Comrat will take place the International Scientific Conference “Innovative Development of the Republic of Moldova – National Goals and Global Trends”. The event is organized by the Innovation Incubator of the Comrat State University, Department of Economics in collaboration with the Department of Economic Development of Gagauzia, Chamber of Commerce, a subsidiary of Gagauzia, Agency for Innovation and Technology Transfer and the Academy of Sciences.

The conference aim is to strengthen the scientific community’s efforts to enhance innovation in the modern world. However, the meeting aims to promote scientific and research work, encourage the exchange of information among scientists about the problems facing the scientific and economic community in the country and region, etc.

To the conference are invited scientists, teachers, graduates of the Comrat University, entrepreneurs, and students.

Sections are planned on the following areas: innovations in agriculture; management and innovation economy; innovations in the humanities (philology, history, pedagogy, psychology, sociology, law); innovations in exact sciences (computer science, mathematics, physics).

The application (Word doc) and articles can be sent to the address: 17, Galatsan Str., 3800 Komrat, Republic of Moldova or levital@mail.ru until 8 October 2013.
