01/13/2014 Events

On 30 January this year, in the Program of Business Events of the National Exhibition “Made in Moldova”, which will be held at the IEC Moldexpo J.S.C., in the period of January 29-February 2, 2014, the State Agency on Intellectual Property (AGEPI) organizes an information and tuition seminar for economic agents on the protection and utilization of trademarks as intellectual property object, entitled “Trademark: Between Benefits and Risks”.

In the seminar are invited to participate the representatives of institutions and enterprises participating in the exhibition, including small and medium-sized enterprises sector, representatives of district councils, Chamber of Commerce and Industry (CCI) and CCI subsidiaries from the territory, specialists in intellectual property and other persons interested in the protection of trademarks.

The seminar will be held in the conference hall of the central pavilion of the IEC Moldexpo (1, Ghiocelor str.), starting at 10.00.

If you are interested in learning more about the role of the trademark in a business development strategy, the risks that may result from not registering in time the trade mark that will represent your products and services on the market, and to consult the recommendations of AGEPI specialists on the creation of a trademark to have a successful business, do not miss the opportunity to be among the registered participants in the seminar mentioned.

Participation in the seminar is free, subject to available places.

Registration of participants will be on a first come-first served, within the limit of 50-60 available places, by sending the registration form the phone number 022 400592 or fax: 022 440119 until 24 January 2014.
