10/27/2005 Events

The National Exhibition ”Textbooks” represented the good opportunity for promotion of the information on intellectual property. It was organized by the Ministry of Education, Youth and Sports of the Republic of Moldova in the period of October 12-15, this year .

AGEPI took part in the II-nd National Exhibition ”Textbooks” presented some publications issued in 2004 – 2005. The collaborators Library and Archive Department advised visitors about

intellectual property matter.

Within the framework of the Exhibition "Textbooks" this year The Agency presented “ Dictionary of intellectual property” compiled by Mr. Veacheslav Crecetov.

This dictionary contains about 500 terms and connected expressions concerning to the industrial property.

Each term is presented in 6 languages: Romanian, English, French, German, Spanish and Russian, but explanations are given in Romanian. The terms are arranged in alphabetic order of terms and connected expressions in the Romanian language, at the same time this edition contains an alphabetic Index of keywords in each of 6 languages.
