05/16/2011 Events

In the period of 11-15 May 2011, the exhibition center “MOLDEXPO” hosted the exhibition “Food & Drinks. Food Technology” in which the latest foodstuff production and processing equipment and technologies were presented.

Organizers: International Exhibition Centre “Moldexpo”

Co-organizers: Ministry of Agriculture and Food Industry of the Republic of Moldova,

Information Partner: BUSINESS-CLASS

Exhibition edition of this year was the most important and anticipated event in the entrepreneurial environment with the participation of economic agents from seven countries: Bulgaria, Moldova, Romania, Slovakia, Czech Republic, Ukraine, and France.

The exhibition was visited by a large number of visitors (over 5000), including foreign visitors from Italy, Romania, Poland, USA, Germany, Russia.

AGEPI, as in previous editions, participated with the information stand “Protection of Intellectual Property in the Republic of Moldova”, exhibition visitors (representatives of enterprises and organizations in all branches of national economy, innovation and development sector, and of the entrepreneurial community from abroad) being able to know the practical aspects of protection of intellectual property objects.
