

04/11/2012 Events

Romanian Inventors Forum in partnership with the Technical University "Gh. Asachi", University "Al. I. Cuza" and "EUROPE DIRECT Iasi" organizes in the period of 10-12 May this year the European Exhibition of Creativity and Innovation "EUROINVENT-2012", fourth edition, to be held in the Lost Steps Hall, University "Al. I. Cuza" from Iasi. The event is addressed to inventors, researchers, students and doctors from universities with research profile.

The event will be attended by representatives of inventors' associations and independent researchers from Romania, Moldova, Croatia, Egypt, Spain, Ukraine, United Kingdom, Iran, Malaysia, Indonesia, South Korea, and Russian Federation. At the exhibition will be exhibited inventions, technologies, innovative research and projects developed in the last five years, of inventors that support creativity.

Within the framework of the event will be held a workshop "Romanian Creativity in European Context" (with sections: Intellectual Property and Copyright in the Current Geopolitical Context, Romanian Scientific and Technical Creativity - Past, Present and Future, Valuing Cultural and Scientific-Technical Heritage) and the National Exhibition of Scientific and Technical Books where will be awarded books published in the last two years and publishers who printed representative works for Romanian research. It will also be held the Exhibition of Painting "Visual Art", organized in collaboration with the University of Arts "G. Enescu" from Iasi and Iasi Artists Union.

The European Exhibition of Creativity and Innovation - EUROINVENT has for an object the promotion of creativity and innovation, dissemination and promotion of research results, creation of several new research-development-innovation lines, technology transfer, and implementation of inventions.

Finally, it will be published a catalog in English (with ISBN) which will include information of participants and their inventions.

Interested persons are asked to complete the online form and send it to:
