01/21/2015 Events

In the period 2-5 April 2015, in Moscow, inside the Exhibition Centre “Sokolniki”, will be held the eighteenth edition of the International Exhibition of Inventions and Innovation Technologies “Archimedes”, the event is organized with the support of the World Intellectual Property Organization (WIPO).

Exhibition Program includes:

- Exhibition of Inventions and Innovation Technologies;
- Useful models;
- Industrial designs;
- Innovation projects;
- Trademarks;
- International University of the Inventor;
- Conference on legal protection of intellectual activity results.

The works presented in the exhibition will be evaluated by an international commission, and among the awards are counted gold, silver and bronze medals, special prizes and diplomas, and will also be awarded the Grand Prix of the Exhibition “Gold Archimedes” and medals of WIPO.

2014 edition brought together 529 participants from 16 countries of the world, the representatives of which exhibited 750 innovative products: inventions, industrial designs, innovation technologies in all areas of science and technology.

Applications for participation in the eighteenth edition of the International Exhibition “Archimedes” are received until February 25, 2015. For details visit www.archimedes.ru [1].
