

03/17/2015 Events

In the period 14-16 May 2015, in Iasi, Romania will take place the seventh edition of the European Exhibition of Creativity and Innovation “EUROINVENT - 2015”.

The event is organized by the Romanian Inventors Forum in collaboration with Europe Direct Iasi, Gheorghe Asachi Technical University and Alexandru Ioan Cuza University of Iasi, with the support of the International Federation of Inventors' Associations (IFIA) and the World Association of Inventions and Intellectual Property (WIIPA), thus becoming an elite event in the field of innovation and research.

The exhibition has for objects: dissemination and promotion of research results; conclusion of partnerships; creation of new trends of research-development-innovation; technology transfer; implementation of inventions; scientific recognition.

EUROINVENT includes several related events and promotes creativity and innovation internationally.

EUROINVENT-2015 program covers:

1. Exhibition of Inventions and Research;
2. International Conference of innovational research;
3. Technical-Scientific and Artistic Book Fair;
4. European Art Exhibition.

We invite you to participate in EUROINVENT - 2015 and present your works in the following categories.

- **inventions** patented or patent pending;
- **research projects** (Master, PhD, etc.); and
- **products** to be or are already launched on the market and are innovative. These can be presented as: products/prototypes; multimedia presentations; posters.

All inventions/innovations and research projects will be evaluated by the International Jury of the Exhibition and can receive awards and medals.

The exhibition will be held at Palas Mall - Atrium Hall.

The deadline for registration – April 1, 2015.

At the latest edition of the Exhibition EUROINVENT were presented over 350 inventions and projects in 16 countries, such as: Albania, Armenia, Bosnia and Herzegovina, Bulgaria, Croatia, France, Georgia, Indonesia, Malaysia, Iraq, Qatar, Poland, Slovenia, Taiwan and Republic of Moldova.
