07/07/2015 Announces

In the period 25-28 November 2015, the State Agency on Intellectual Property of the Republic of Moldova in partnership with the Academy of Sciences of Moldova, Agency for Innovation and Technology Transfer and International Exhibition Centre (IEC) “Moldexpo” JSC organizes the International Specialized Exhibition “INFOINVENT 2015”'.

The exhibition aims primarily at supporting and promoting creativity and intellectual property, attracting investments in innovation and technology transfer activities, realizing joint projects on the implementation of inventions, new materials and technologies in the national economy, development of international scientific and technical cooperation.

Works presented at the stands of IES “INFOINVENT” may be exposed to five compartments: inventions, plant varieties and industrial designs, innovative products/services; innovational and technology transfer projects; creation of young people; cultural and creative industries.

In every edition of ISE “INFOINVENT” there is an increasing number of participants and works presented at the exhibition stands, both from the Republic of Moldova and abroad.

Traditionally, in the framework of the exhibition is unfolded an additional program of technical and scientific events, including seminars, roundtables and workshops.

The deadline for submission of the application for participation in the exhibition is **September 15, 2015**.

The registration forms and other useful information can be found on www.infoinvent.md [1].
