29.12.2008 Evenimente

Dear friends,

On the occasion of the New Year 2009 and the Christmas holydays, I address my cordial congratulations of health and prosperity to each of you separately and to the entire innovational community of the Republic of Moldova.
I wish happiness and well-being, comprehension and support from the part of your leaders, collaborators and your families, the best achievements in professional and personal life to the specialists acting in the field of intellectual property, scientists and investigators, authors, inventors and intellectual property owners, partners and friends of AGEPI.

I wish the 2009 will bring you the fulfillment of your most audacious projects, the implementation of the artistic creations, scientific elaborations, inventions, the complete satisfaction and successes, obtained in your work, dedicated to the prosperity of your country and families.

Marry Christmas and happy New Year!

Dorian CHIROSCA,
Director General AGEPI
