30.06.2017 События

On 30 June this year, the working meeting of the Organizing Committee of the International Specialized Exhibition “INFOINVENT” took place at the State Agency on Intellectual Property (AGEPI).

The purpose of the meeting was to examine the technical aspects of organizing and conducting the fifteenth edition of ISE “Infoinvent”, to be held from 15 to 18 November 2017, at IEC Moldexpo JSC.

The event was attended by the leadership of AGEPI, members of the Organizing Committee of ISE “Infoinvent” within the Academy of Sciences of Moldova, the Agency for Innovation and Technology Transfer, the Chamber of Commerce and Industry of the Republic of Moldova, IEC Moldexpo JSC, heads of AGEPI departments, persons responsible for the organization and conduct of the event.

The meeting was chaired by Lilia Bolocan, AGEPI Director General, Co-Chair of the Organizing Committee.

During the meeting were reviewed the activities carried out by AGEPI with the view of organizing and promoting the fifteenth edition of ISE “Infoinvent” and highlighted the aspects on which the activity of the Organizing Committee will be further focused for a good organization and deployment of the exhibition. The participants in the meeting mentioned the need to attract a larger number of participants from the business environment, innovative SMEs, as well as representatives of the creative industries in the exhibition.

Attention was paid to the program of business events organized during the ISE Infoinvent week, which will include an International Innovation Conference, a forum of creative industries, the stock of inventions and other interactive events promoting the importance and value of intellectual property and innovations for the country’s economic development, increasing the competitiveness of products and services in order to improve the quality of citizens’ lives.

The Regulation on organization and deployment of ISE “INFOINVENT”, participation forms and other relevant information can be accessed online on the website of the exhibition: http://www.infoinvent.md/ [1].

The International Specialized Exhibition (ISE) “INFOINVENT” is a forum of intellectual property, creativity and innovation, organized bianually at the International Exhibition Center “Moldexpo” J.S.C.

The main organizers of the ISE “INFOINVENT” are the State Agency on Intellectual Property and the International Exhibition Center “MOLDEXPO” JSC, in partnership with the Academy of Sciences of Moldova and the Agency for Innovation and Technology Transfer, whose competence is the technical and organizational assurance of exhibition.
