The 24th edition of the International Salon of Inventions and Innovative Technologies “Archimedes”, organized by “InnovExpo” Ltd., with the support of the World Intellectual Property Organization (WIPO), the Administration of the President of the Russian Federation, the International Federation of Inventors’ Associations and other institutions, will take place from 23 to 26 March 2021, in Moscow. The event will be organized in hybrid format, both online and with a physical presence.

The main aim of organizing and conducting the Salon “Archimedes” is promotion of inventive activities and development of the market of new products and services.

The works presented at the exhibition will be evaluated by an international commission, and the distinctions include gold, silver and bronze medals, special prizes and diplomas.

The 2020 edition brought together over 314 organizations - participants from 24 countries and 35 regions of the Russian Federation, which presented over 600 inventions and innovative technologies. Participants in the Salon are becoming full members of the inventive community around the world, and the widest horizons are open to them to realize their creative potential.

The deadline for registration of the application for participation is **March 10, 2021**. Go to https://www.archimedes.ru/ [1] to find out more information about the event and how to register.

The State Agency on Intellectual Property (AGEPI) encourages inventors and researchers from the Republic of Moldova to participate in international specialized exhibitions and to use with maximum efficiency this tool to promote their own innovative projects.
