After a two-year break due to the COVID-19 pandemic, the International Specialized Exhibition-Fair “Farmer” and the Exhibition “Moldagrotech” are held from 13 to 16 October, at the International Exhibition Center “Moldexpo” J.S.C.

The organizer of the exhibitions is the International Exhibition Center “Moldexpo” J.S.C. with the official support of the Ministry of Agriculture and Food Industry of the Republic of Moldova and the National Federation of Farmers of Moldova.

AGEPI participates with activities to promote and disseminate information in the field of intellectual property. During the event, AGEPI specialists offered free consultancy on the national intellectual property protection system and distributed leaflets and promotional materials in the field.

A vast business program is organized within the events, which includes round tables, seminars, business meetings, workshops, as well as the traditional Agricultural Products Fair “Golden Autumn”.

The exhibitions brought together over 200 representatives of the business environment from the agro-industrial sector, specialized public authorities, agricultural producers and representatives of the scientific environment from the Republic of Moldova, Romania, Ukraine, Italy, Bulgaria, Austria, etc.
