The Academy of the European Patent Office (EPO) is organizing on 6 March 2025 the online seminar “*EPO Search Tools to Improve Business Decisions*”. The event is dedicated to intellectual property managers, business representatives and technology transfer specialists.

The seminar provides training on the use of free EPO search tools, such as **Espacenet** – to analyse and filter desk research results – and **PATSTAT**, used to obtain advanced statistics. The agenda includes a live online session and individual learning modules.

The event is held in English and is open to all interested parties. Registration is open until **5 March 2025**, by filling in the form available here.
