The International Exhibition of Innovation and Technology Transfer “EXCELLENT IDEA 2025” will be held on September 11-12, this year, in Chisinau, a landmark event organized by the Center for Innovation and Technology Transfer, in cooperation with the Academy of Economic Studies of Moldova, the Academy of Sciences of Moldova and the State University of Medicine and Pharmacy “Nicolae Testemițanu”. The event, which brought together researchers, inventors and entrepreneurs, aims to promote inventions, innovations, research project results, ISI-listed scientific articles and published scientific literature of authors from the country and abroad, providing a valuable platform for dialogue, cooperation and exchange of experience.

The opening ceremony of the exhibition was also attended by Viorel Iustin, Dr. of Law, Head of Patents Directorate of the State Agency on Intellectual Property (AGEPI). In his opening speech, Viorel Iustin emphasized the importance of innovation and creativity as drivers of economic development and social progress in the Republic of Moldova. “This exhibition is a clear proof of the innovative potential of our country and of the commitment to align ourselves with European standards through research and protection of intellectual property,” said the AGEPI representative.

The participants were also invited to join the International Specialized Exhibition “INFOINVENT 2025”, organized by AGEPI from 3 to 5 December this year at the International Exhibition Center “Moldexpo”. More information about this year’s edition of the ISE “INFOINVENT” can be accessed at https://infoinvent.md/ [1]. The event will bring together inventors and institutions from the country and abroad, offering the opportunity to present their creations to investors and international experts.

The head of the Patents Directorate also reiterated AGEPI’s support for inventors, researchers and breeders, by offering financial support for patenting inventions and plant varieties abroad. “We encourage you to seize these opportunities and contribute to strengthening a competitive and sustainable economy,” added Viorel Iustin.

The International Exhibition of Innovation and Technology Transfer “EXCELLENT IDEA 2025” represents an important step in promoting innovation and strengthening the national research ecosystem, being a catalyst for transforming creative ideas into successful achievements.
