AGEPI informs stakeholders about the invitation of the Republican Research Institute of Intellectual Property of the Russian Federation (РНИИИС) to take part in the fifth edition of the International Forum International Forum “Innovative Development through the Market of Intellectual Property”, which will take place on April 3 this year.

The action in question is part of the events on the occasion of the World Intellectual Property Day, conducted under UN auspices.

Forum program includes the following key topics:

- legal protection, use and defense of intellectual property in the Russian Federation and CIS countries in 2012;
- conditions and problems of formation of intellectual property market within

the Customs Union and CIS;

- intellectual property management on innovative and technological platforms;
- problems of customs protection of intellectual property in the common economic space;
- intellectual property in special economic zones.

Participation in International Forum is a unique opportunity to contribute to the development of innovations and technological modernization through the market of intellectual property, the development of national and regional innovational systems, and the training of qualified personnel.

Forum program and the conditions for participation in its work can be found at: http://www.rniiis.ru/ [1].
