08.10.2008 События

In the period of October 7-11, 2008, in the Exhibition Complex "Romexpo" Bucharest take place the XII International Exhibition of Inventions, Scientific Research and New Technologies "INVENTICA-2008"under aegis of the Ministry of Education and Investigations of Romania and the International Salon of Inventions, Technologies and New Products of Geneva. In 2007 in the Salon there were representec69 participants from Romania, Croatia, Iran, Poland, Taiwan and Republic of Moldova with 196 inventions. This the number increased.

The Republic of Moldova represented such organizations as AGEPI and inventors of the Research institutions (SUM, SUMF, TUM etc.

The event unified inventors, researchers, representatives of producing companies, becoming an ideal medium for promotion and commercialization of the realizations of the intellectual work, the represented inventions will be appreciated by the International Jury. In the frame of the Salon „INVENTIKA-2008" will take place some conferences, work-shops, round tables and presentations.

„INVENTIKA-2008" will develop simultaneously with the International Technical Fair Bucharest-TIB, the inventors benefit of a favourable business environment, of a mediation sustained by a large number of visitors becoming thus a more known place for the professional contacts and bargains. These tow manifestations are visited yearly by nearly 22.000 persons.
