Chisinau will celebrate European Researchers' Night - 2016, 3rd edition. The event will take place on September 23, from 15:00, in the square of the Academy of Sciences of Moldova (bd. Stefan cel Mare, 1).

European Researchers' Night is organized by ASM and aims to promote science among the young generation and launch a platform for effective communication between the academic environment and the general public.

State Agency on Intellectual Property (AGEPI) will attend the event with an information stand, offering consultations on theoretical and practical aspects of protection of intellectual property objects.

During the event, visitors will have the opportunity to see what it's like to be a researcher, will participate in interactive and entertaining experiments, will refuge in equipped laboratories just in the square of the Academy and will be involved in various competitions.

European Researchers' Night is one of the most famous European Union initiatives, in which science is celebrated. The event takes place simultaneously in over 300 European cities, on the last Friday of September.
